Chief Administrative Officer Mr. J. Gushue
Town Clerk
Town of Yarmouth
Nova Scotia.

February 21st 2010

Dear Mr. Gushue

Please place on your agenda and distribute this letter to Council, prior to your March 2010 Council meeting. Thank You.

February 21st 2010

Mayor & Councilors,

Well, you will be surprised to learn that I am on the verge of being unable to speak. Rampant criminality and open drug dealing enabled by our municipal government's inaction, disgracefully supported by our police force and the silence of our community, opened my eyes and my mouth.

Our municipal governments have broken communication, with the government of the Province of Nova Scotia.
Or MLA has resigned in disgrace the machine is collapsing, the investigations begin and the corruption exposed.

Take a look in your mirror Mayor and Councilors and ask yourself this...

Behind whom am I lined up?

Am I lined up behind Mr. Richard Hurlburt ?

Am I lined up behind Mr. Frank Anderson ?

Am I lined up behind the people controlling the "machine"?

If the answer is yes, as it must be, as confirmed by your silence.

Then bend over and "advance forward swiftly" !

Regards
