Dear Town of Yarmouth,

As 2009 comes to a close, I would like to take this opportunity to convey a warm and heartfelt thank you for your ongoing support of the Tri-County Pregnancy Care Center.

Since opening in the year 2001, our clientele has tripled making us one of the busiest Pregnancy Crisis Centers in the Maritimes. Also, earlier this year, we were excited to finally realize our dream of establishing a satellite office in Barrington Passage. This has been made possible by the generous spirit of folks like you and we are very grateful.

### STATISTICS FOR 2009

- 274 Clients (including all follow ups)
- 38 New Clients
- 20 Babies Born
- 0 Adoptions
- 69 Material Services

Again, thank you for seeing a need, extending a hand and changing a life. We feel we are making a significant impact in the community and that matters greatly to us.

Sincerely,

*Pam Churchill*
