

**On-site Servicing By-law
By-law No. 9A**

Pursuant to subsection 172(1)(a) and 220(5)(n) of the *Municipal Government Act*

Resolved as a By-law of the Town of Yarmouth that:

1. No person shall develop or construct a dug well within the Town of Yarmouth except on a lot on which a dug well exists as of the date of this By-law.
2. No person shall develop or construct a drilled well except:
 - a) in areas explicitly permitted to use on-site sewer and water services pursuant to the Town's Municipal Planning Strategy and Land Use By-law; or,
 - b) on a lot on which a drilled well exists as of the date of this By-law.
3. No person shall develop or construct an on-site sewage disposal system except:
 - a) in areas explicitly permitted to use on-site sewer and water services pursuant to the Town's Municipal Planning Strategy and Land Use By-law; or,
 - b) on a lot on which an on-site sewage disposal system exists as of the date of this By-law.
4. Any on-site sewage disposal system permitted under this By-law shall be constructed and maintained in compliance with the regulations respecting on-site sewage disposal systems made by the Governor in Council pursuant to Section 66 and other regulation-making Sections of Chapter 1 of the Revised Statutes of Nova Scotia, 1994-95, the *Environment Act*.
