

Town of Yarmouth

Curbing Policy

The Council of the Town of Yarmouth hereby enacts the following:

Short Title

- 1. This policy may be cited as the “Curbing Policy”.**

Objective

- 2. The objective of this policy is to demonstrate Council’s intention to work with developers in regards to curbing public street right-of-ways.**

Implementation

- 3. When property owners install, renovate or alter their entranceway from a lot to a street, the Town shall continue the development and develop the area between the property line and the traveling surface of the street right-of-way to provide a coherent, compatible and functioning delineation between the street and the adjacent lot.**
