

TOWN OF YARMOUTH SPECIAL WASTE COLLECTION

The Town of Yarmouth is making improvements to our curbside solid waste collection program. The changes will come into effect starting on January 1st, 2010. Residents are asked to make use of these special waste collection services. This will enable this waste to be collected in a more efficient manner by spreading the quantities throughout the year. We suggest you keep this and your solid waste management schedule on your fridge for easy reference.

Residential Clean-Up Waste – Will be collected on your regular garbage day

Carpeting & Sheet flooring (cut & rolled)

Furniture – such as chesterfields, chairs, & dressers

Mattresses & foundations

Small appliances

Non-reusable clothing & plastic toys

Metals & White Goods – Last Friday of each month

ONE major appliance or white good such as an electric stove, refrigerator, freezer, dishwasher, clothes dryer, washer, hot water heaters, dehumidifiers, water coolers, & metals such as bed frames, barbeques, bicycle frames, & lawn mowers.

Waste Wood – First Friday of each month from April to November (excluding holidays)

Limited quantities of waste wood will be collected up to ½ cubic yard in volume (ie: 3'X3'X1.5'). It does not include demolition materials from major renovation projects (ie: roofing materials, decks, sheds, etc.) It does include left over wood from handyman crafts/projects, wooden pallets, wooden work benches/tables/saw horses, outdoor wooden furniture.

Brush, Branches, & Leaves – Regular Organic Day

Tree branches, brush, or excess leaves and yard waste can be placed alongside of your Green Cart. Branches should be tied or bundled in arm load sizes and not to exceed 5 bundles per pickup. Leaves should be bagged in clear plastic bags or heavy paper bags up to a limit of 20 bags.

*****Town of Yarmouth reserves the right to limit quantities*****

Construction & Demolition debris will not be collected.

(please see reverse side for explanation of construction & demolition waste.)

Collection of your waste will only be affected by a holiday if the holiday falls on the collection day. Please refer to your calendar for alternate pick-up dates, the Vanguard, or call WasteCo at 742-3490.

For further information, please refer to the Town of Yarmouth Solid Waste Schedule, the Town of Yarmouth website at www.townofyarmouth.ca, or by calling our office at 742-7525.

The following **WILL NOT** be accepted for collection:

- Construction & demolition debris*
- Combustible materials (gasoline, furnace or diesel fuel)
