Re: Tender – Asphalt Crack
Sealing Tender – 2010
Season

Invited tenders were requested from three asphalt sealing firms for the crack sealing of various asphalt streets within the Town of Yarmouth for the 2010 construction season.

One response was received with the results as outlined below:

Road Savers Maritime Limited

0-5,000 meters asphalt crack filling	\$3.60 per meter
5,000 – 10,000 meters asphalt crack filling	\$2.95 per meter
Traffic control as required	\$89.00 per hour
	\$900.00 per day

Note: Above pricing is exclusive of HST.

After reviewing the tender, it is recommended that the tender be awarded to the lowest and only tenderer, Road Savers Maritime Limited.

The above is for Council's information and approval.
