- (b) all applicable Provincial and Town requirements, policies and procedures are met;
- (c) the Applicant is in compliance with all of the terms and conditions of this Agreement and is in conformance with all Building Permits and other regulatory approvals pertaining to the Property; and
- (d) the property has undergone development.

### **4. DEVELOPMENT REBATE FUNDING CALCULATION**

**4.1** A development rebate is calculated by the CFO as a percentage of the Rebate Eligible Assessment as shown in Schedule "F" to this Agreement.

**4.2** Prior to the commencement of the Development Rebate Program, the CFO shall determine the Base Year Taxable Assessed Value used to calculate the Annual Rebate Eligible Tax Assessment and the corresponding annual development rebate payable for development. Following this determination, Schedule "F" will be amended annually to show the Actual Taxable Assessed Value, the Rebate Eligible Taxes, and the annual development rebate amount payable as determined by the CFO.

**4.3** The Applicant shall have an opportunity to review the CFO's calculation of the Base Year Taxable Assessed Value prior to the finalization of Schedule "F", however, the CFO's determination as to the calculation of the Base Year Taxable

Assessed Value, and the amount of the development rebate, shall be final.

- 4.4 In calculating the annual Development Rebate payable for the development, the Rebate Eligible Assessment shall be calculated annually from the first year that the subject Development Rebate is payable, or the first year that the Owner elects to make the Annual Taxable Assessed Value election in accordance with this Agreement and CBDI By-law.
- 4.5 The Development rebate will be reduced by the CFO for the year in which a development rebate is paid, to reflect the amount of any rebate(s) of municipal taxes paid to the Owner, including but not limited to rebates to reflect charitable status tax rebates related to the development. Any such reductions shall be in an amount reflecting the product of the municipal portion of taxes rebated and the development rebate percentage level applicable to that year.
- 4.6 The total of development rebates paid over a ten year maximum term of the program must not result in the calculation of the total increase in taxes payable during the phase-in period being less than fifty (50%) percent of the total increase in taxes that would be payable during the same period in the absence of the application of the formula.

#### **REBATE ELIGIBLE ASSESSMENT**

- 4.7 Subject to sections 4.9 and 4.10 of this Agreement, the Base Year Taxable Assessed Value shall remain fixed for the duration of the Development Rebate Program.
- 4.8 The Rebate Eligible Assessment will be amended by the CFO, as necessary, to reflect changes to the total Municipal Property Taxes payable in any year, as a result of successful assessment appeals, requests for reconsideration, equity changes, gross errors or other changes to Actual Taxable Assessed Value that have the effect of changing the amount used to calculate the Actual Taxable Assessed Value.
- 4.9 Where the Rebate Eligible Assessment is amended in accordance with section 4.8, future development rebates shall be adjusted accordingly for the duration of the Development Rebate Program period. Such adjustments may reflect any overpayment of development rebate arising from successful assessment appeals that occur subsequent to the commencement of payment of development rebates.
- 4.10 If at any time the Owner appeals any assessment relating to the development that, in the opinion of the CAO, may impact the calculation of the Rebate Eligible Assessment, the Town shall withhold any or all of the development Rebate that would otherwise be paid for the development, based on a reasonable estimate of the reduction in assessment being sought, pending final disposition of the appeal. If as a result of the decision of the appeal body, the Actual Taxable Assessed Value is reduced below the amount determined in calculating the Rebate Eligible Assessment, then the reduced Rebate Eligible Assessment shall be the basis for determining the development rebate payable under this Agreement.
- 4.11 Where sections 4.9 and 4.10 apply, any overpayment of a development rebate arising from subsequent assessment or tax reductions will be deemed to be a

debt owing to the Town which the Owner shall pay forthwith together with the same interest charged for overdue accounts by the Town.

- 4.12 If at any point after the development is complete, additional work is proposed on the Property that is not part of the original Program application, but may serve to further increase the current year tax assessed value, such additional work shall not be included in the calculation of the development rebate in this Agreement, but may be the subject of a further Development Rebate Program application, subject to the continued availability of the Development Rebate Program and the eligibility requirements and rebate entitlements in effect at that time.

## **5. FUNDING PAYMENT**

- 5.1 Subject to Section 6 of this Agreement, development rebate payments to a maximum of ten (10) annual payments will commence being paid the first taxation year in which the Rebate Eligible Assessment is capable of being determined.
- 5.2 Development rebates cannot be applied as tax credits against the Property tax account.

## **6. CONDITIONS OF PAYMENT**

- 6.1 The CAO shall determine whether the Applicant has satisfied the participation requirements of this Agreement and the Schedules attached hereto.
- 6.2 A development rebate will only become payable after the property is first reassessed by the PVSC to fully reflect the development for which the Applicant might receive a rebate.
- 6.3 A rebate can only be paid once annually, in the last quarter of the year, provided that:
- (a) there are no outstanding taxes, water rates, or other sums owed to the Town with respect to the property;
