

Town of Yarmouth  
**CURBING POLICY**

Effective: 2006 – Reviewed: August 13<sup>th</sup>, 2020  
TOY 10

The Council of the Town of Yarmouth hereby enacts the following:

**1.0 Short Title**

This policy may be cited as the “Curbing Policy”

**2.0 Objective**

The objective of this policy is to demonstrate Council’s intention to work with developers in regards to curbing public street right-of-way’s.

**3.0 Implementation**

When property owners install, renovate or alter their entranceway from a lot to a street, the Town shall continue the development and develop the area between the property line and the traveling surface of the street right-of-way to provide a coherent, compatible and functioning delineation between the street and the adjacent lot.

**Clerk’s Annotation for Official Policy Book**

Date of Adoption: 2006

This policy was reviewed on August 13<sup>th</sup>, 2020. Council determined no changes were needed.

I certify that this ‘Curbing Policy’ was adopted by Council as indicated above.
